

We're taking part in the **2023 Virginia Mathspace Challenge**

We're competing with students from across the state of Virginia to win a Pizza Party or \$1000!

Earn as you learn

Every minute you spend working counts towards your score! Finished all your work? Practice questions on your own to boost your score!

Track your progress

Weekly and overall leaderboards are live on the challenge page. See your progress and see who you're competing against for the big prizes!

Win prizes!

Each week, the top class will win a Pizza Party and at the end of the challenge, one lucky school will win \$1000!
